Hi Neelima,

Here is what we have to disclose for this year.

We had a Spaghetti Social. Raffle item donations were made from local businesses with the following being valued at \$100 or more.

Core DeValle Golf Course \$600  
Silvas Feed Store \$153  
South Valley Disposal \$350  
Spoil Your Pets \$500

We do not have a date for these donations and are not sure whether they are reportable when redeemed or when raffled or when the certificate was received. None of these sold for more than \$100 more than value.

No one donated equal or more than \$100 at the Spaghetti Social

We had several contributions of less than \$100

Sylvia loaned \$1100 and I loaned \$800 to cover Bill Ross' opinion. Cleo Logan donated \$500 as well for that purpose.

SMNA spent the following in addition to the money sent to LAFCO:  
\$800 SMNA business, printing agendas, fliers, advertising related to various issues;  
\$unknown for expenses related to the Social for food and service;

When you have your disclosure forms ready, we will provide you with whatever additional details you want.

Please let me know what else you need.
